

## **LTDA response to Mayor of London's Taxi and PHV Action Plan**

**Steve McNamara, General Secretary of the LTDA, said:** "We very much welcome the Mayor's wide-ranging taxi and PHV action plan. Black cabs always go the extra mile for passengers – from accessibility to knowledge, safety to reliability – and it's great to have a Mayor that recognises this and is determined to see the trade thrive.

We look forward to working with the Mayor's Office and TfL to implement these important measures and ensure that central Government gives TfL the power to it needs to fulfil its regulatory responsibilities".
