Dear Sirs

## Uber London Limited – Renewal of PHV Operator’s Licence

Further to your letter dated 26 May 2017, we confirm that TfL has renewed Uber London Limited’s (ULL) operating licence for a period of 4 months. TfL considers, on the information available to it at the present time, that ULL is a fit and proper person to hold a licence and that its operations comply with the statutory framework in this area. TfL is presently pursuing further enquiries and we expect these enquiries to be complete within 4 months. It will be open to ULL to apply for a further licence extending beyond this period. Any such application will be considered against the statutory criteria taking into account, if relevant, the results of TfL’s ongoing enquiries.

Whilst we note what you say in your letter, there is no legal obligation on TfL to give third parties advance warning about licensing decisions or to provide explicit and detailed reasons concerning those decisions and we hope you will understand that it would not be appropriate for TfL to do that.

Yours faithfully
